15. Operating of the Stand

It is the obligation of the exhibitor to provide an appropriated floor covering for the admitted stand space. The stand space booked/rented by the exhibitor will in general not be separated through walls. If a stand is directly connected to another stand space or at end of the exhibition space or the exhibition hall, it is the exhibitor's obligation to separate his stand with a partition wall. These partitioning walls can either be brought by the exhibitor himself or can be ordered from the organizer's stand builder. The requirements and stand construction regulations can be found in the technical guidelines.
